AUTHORIZATION FOR RELEASE OF USAGE INFORMATION TO:

On behalf of \_\_\_\_\_ (Company) I hereby authorized and instruct Company's electric and/or gas distribution utility \_\_\_\_\_ ("Utility") to produce and release, to Catalyst Power, and Catalyst Power, LLC<sup>1</sup>, and suppliers working with Catalyst Power as requested, orally or in writing, from time to time, all information relative to Company's utility account usage history, including, but not limited to, consumption history, load profiles, payment history and 12 months of interval-metered data if available for the accounts listed below. This authorization does not create a binding commitment to purchase any service or product from Catalyst Power or Catalyst Power, LLC, and is to be used for the purpose of providing offers for electricity and/or natural gas supply products. Catalyst Power and Catalyst Power, LLC will maintain the confidentiality of all Company information in accordance with the requirements of the New York Public Service Commission Uniform Business Practices. This authorization shall remain in effect until one year from date of signature below or until revoked in writing by the undersigned.
